

Argyle™

Layflat hose handling solution

IDEAL FOR

- Emergency dewatering
- Civil works, industrial & mining operations
- Low workforce requirements
- Easy handling

The **Argyle** is a popular brand in our Reel Systems Family. This innovative layflat hose reel winder from Crusader Hose has been designed for the rapid deployment and retrieval of layflat hose.

Crusader Hose fabricated the **Argyle** to help alleviate the manual labour challenges associated with handling layflat hose pipelines. This reel system makes handling layflat hose easy, safe and more efficient.

Revolutionary in design, the **Argyle** is compact & modular. Trailer or skid mounted and driven by a hydraulic motor, the **Argyle** is perfect for civil works, industrial and mining operations.

Available in two models:

- Two Reels - individually operable, suits 2 x 100 m of 8" hose*
- Single Spool - suits 1 x 250 m of 6" hose*

FEATURES

- ✓ Hose crate with two reels or single spool
- ✓ Heavy-duty frame - hot-dipped galvanised or painted finish
- ✓ Rated lifting & tie-down points
- ✓ Free-spool capability
- ✓ Trailer-mounted or skid base
- ✓ High-torque motor
- ✓ Quick-connect couplers
- ✓ Key start engine (diesel or petrol)
- ✓ Handheld remote control
- ✓ Australian Made

For technical data see overleaf.

Crusader Hose is in regular consultation with industry. The Reel Systems are designed and manufactured with our customers' needs in mind to make the job safe, easy and more efficient.

Proudly manufactured in Australia.

Argyle™ Reel System

TECHNICAL DATA

Hose Crate Two Reels

Features

- ✓ Two reels - individually operable
- ✓ Each reel suits 1 x 100 m of 8" ID hose*
- ✓ Fork tyne pockets

Dimensions

1760 mm x 1130 mm x 1800 mm

Max pull (inner layer)

996 kg

Weight (Tare/Gross)

620 kg / 1770 kg

Part

ACW200ACA

*Capacity dependent on winding tension, type of hose & couplings

Hose Crate Single Spool

Features

- ✓ Single spool - suits 1 x 250 m of 6" ID hose*
- ✓ Fork tyne pockets

Dimensions

1760 mm x 1130 mm x 1800 mm

Max pull (inner layer)

996 kg

Weight (Tare/Gross)

735 kg / 1740 kg

Part

ACW100ACA

*Capacity dependent on winding tension, type of hose & couplings

Trailer

Features

- ✓ Trailer base with power pack
- ✓ Petrol or diesel available

Skid Base

Features

- ✓ Skid base with power pack
- ✓ Petrol or diesel available
