

Centurion®-P

Percolating spun premium fire hose

12
MONTH
WARRANTY

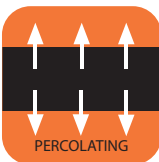

Centurion-P is a premium percolating fire hose designed for professional firefighting units. Manufactured by Crusader Hose, it was developed to withstand the tough and extreme conditions firefighters face daily. This unlined hose's percolation feature allows water to seep through, protecting it from burning coals. The NSW Fire Brigade, multiple Fire Rescue Victoria brigades, and the Australian Army rely on **Centurion-P**.

This Class H hose is woven with spun polyester fibres, which gives excellent abrasion resistance and flexibility. **Centurion-P** is fully synthetic, so it does not require drying after use, although drying does prevent surface mould stains. **Centurion-P** has Australian Standard AS 2792 approval.

FEATURES

- ✓ Spun percolating fire hose
- ✓ Working pressure 2100 kPa
- ✓ Class H
- ✓ Shipped complete with fittings if required
- ✓ Mildew resistant
- ✓ Can be stored wet
- ✓ Australian Standard AS 2792
- ✓ Australian Made

TECHNICAL DATA

Diameter (ID)	38 mm	51 mm	64 mm
	1.5"	2"	2.5"
Max. working pressure*	2100 kPa	2100 kPa	2100 kPa
Min. burst pressure	5250 kPa	5250 kPa	5250 kPa
Weight/m	0.24 kg	0.33 kg	0.37 kg
30 m coil diameter	0.45 m	0.57 m	0.50 m
AS 2792 approved	✓	✓	✓
Part #	HHT038XMA	HHT051XMA	HHT064XMA

*Dependent on maximum working pressure of attached couplings if lower.
